Members are the heart and spirit of the Atlantic Convenience Stores Association. With a strong membership we have a strong voice that politicians and government bureaucrats take notice of. We have credibility. We have authority. Our association, and our industry, also benefit from the collective experience and know-how that our members have to offer.

With your associate membership, you will receive:

An in-person meeting with our board members, with whom you may be doing business or with whom you may like to discuss doing business

A meeting with our Government relations team to discuss what issues are important to your company and if we can assist you in supporting your issue with Governments in this region

A 500-word story in our quarterly newsletter, with accompanying logo in the story – sent to our 1400 subscribers
